

Summer 2017 LABORATORY SAFETY CLASSROOM TRAININGS

ONLINE REGISTRATION IS REQUIRED TO ATTEND TRAINING COURSES -
<http://ehs.ucmerced.edu/training/registration>

Laboratory Safety Trainings are a series of short topic sessions on laboratory safety intended to provide students and employees with critical safety information on specific subjects. Attendance fulfills Cal/OSHA training requirements for all laboratory staff.

PLEASE NOTE: Additional training courses will be required based on individual work tasks and exposure to specific hazards.

**Trainings are 2-hour in length.*

**Core trainings are required for ALL students and employees working in labs.*

Trainings are available online.
