LABORATORY SAFETY TRAININGS

Online registration is required to attend training courses - http://ehs.ucmerced.edu/form/register-trainings

Laboratory Safety Trainings are a series of short topic sessions on laboratory safety intended to provide students and employees with critical safety information on specific subjects. Attendance fulfills Cal/OSHA training requirements for all laboratory staff.

**Please Note:** Additional training courses will be required based on individual work tasks and exposure to specific hazards.

*Trainings are 2-hour in length.
*Core trainings are required for all students and employees working in labs.
*Trainings are available online
