All lab coats should have this tag.

DON'T drop off lab coats without the appropriate tags. Take them to EHS for marking first or your coat will get lost in the laundry.

Leaving the lab permanently? Please turn the lab coats back at the EH&S office located in Facilities B. There will be a hold on student's account until all the lab coats are returned.

Lab coat needs repair? Affix a yellow tag to the coat indicating what is wrong. Yellow tags are located on the hamper at the drop off locations. If the coat is beyond repair, bring it to EHS to trade for a new one.

For more information or to follow up on unreturned coats, please contact the Office of Environmental Health & Safety by email ehs@ucmerced.edu or by phone (209) 228-7864.
